Important Update: New Online Payment Portal

Starting March 2, the Town will move to a new online payment portal. When the new system is live, online customers will need to create a new account to continue digital payments. We're excited to share that ACH (bank transfer) payments will now be fee-free! Credit card payments will still include processing fees. Follow the Town's official Facebook page for setup details and updates.

The Truth about "Flushable" Wipes

We've noticed an increase in plumbing backups recently, and we need your help to keep our pipes flowing! While many wipes are labeled as "flushable," they don't actually break down like toilet paper does. Please avoid flushing wipes of any kind.

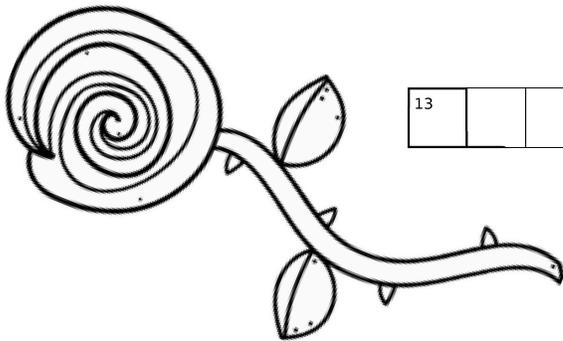

Community Watch: Be On The Lookout

The Town asks residents to report unauthorized fire hydrant use. Taking water from hydrants without approval is illegal and a felony offense. If you observe unauthorized use, please contact Town Hall immediately. Reporting helps protect our water system and maintain reasonable water rates for the community. We appreciate your vigilance!
