

Resolution 2026-14

**A RESOLUTION ADOPTING SPECIFICATIONS FOR NEW WATER METERS  
AND SERVICE INSTALLATIONS**

**WHEREAS**, The Town of Bar Nunn operates a municipal water system identified as PWS WY5600067; and

**WHEREAS**, The Town finds it necessary to establish uniform standards governing new water service connections, including taps, meter installations, and related infrastructure; and

**WHEREAS**, The Town of Bar Nunn Public Works Department has developed specifications entitled "Specifications for New Water Connections to PWS WY5600067," dated April 2026; and

**WHEREAS**, Adoption of these specifications will ensure system integrity, regulatory compliance, and consistency in construction and recordkeeping;

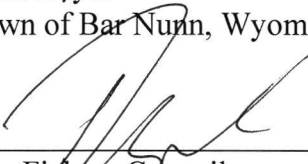

**NOW, THEREFORE**, The Governing Body of the Town of Bar Nunn, Wyoming hereby adopts the document titled "Specifications for New Water Connections to PWS WY5600067," dated April 2026, as the official standard governing all new water service installations within the Town water system.

**BE IT FURTHER RESOLVED**, That all new water taps and service installations shall comply with said specifications, and that the Bar Nunn Public Works Director, or designee, is authorized to administer, interpret, and enforce these standards in accordance with applicable Town Code.

**PASSED, APPROVED AND ADOPTED on this 21st day of April, 2026.**
