Town Hall Closure

Town Hall will be closed July 3rd in observance of Independence Day.

Payment Portal

Please discontinue using Nexbill for water bill payments, as some balances may not reflect current amounts due. Our new payment portal is available through the Town website or directly at barnunnwy.ourcommunityconnect.com.

Drag Race - June 20

Wind City No Prep will be hosting a drag racing event on Saturday, June 20 on Westwinds Road. The north end of Tonkawa Trail will be closed beginning Friday evening for event setup, with roads expected to reopen Saturday afternoon around 4:00 p.m. to 5:00 p.m. We appreciate everyone's patience during the event.

The Splash Pad is Open!

The splashpad is open for the season. Hours of operation are from 9:30 A.M. to 8:00 P.M. every day. The splashpad will be closed in instances of inclement weather, such as high winds and lightning.

250th Anniversary 4th of July Celebration

Join us as Bar Nunn celebrates the 250th with a full day of family-friendly activities on July 4th. The day begins with a parade at 11:00 a.m., traveling west on McMurry Boulevard and south on Antelope Drive, followed by a flag raising ceremony at Town Hall.

Festivities will continue at Antelope Park from 12:00 p.m. to 3:00 p.m. with local vendors, food trucks, and activities for all ages. **Beginning at 7:00 p.m., the Town will open the ballfield at Antelope Park to Bar Nunn residents for personal fireworks. Residents are asked to be courteous, use caution around others, and help keep the park clean by taking out anything brought in.**

The celebration will conclude with a community fireworks display near Westwinds at 10:00 p.m. We hope to see everyone there for a safe, fun, and community-focused celebration.

Salt Creek Highway Corridor Study

Residents of Bar Nunn and the Casper area community are invited to share feedback related to transportation needs and future safety improvements along the Salt Creek Highway corridor at an open house event on **June 11** at the Bar Nunn Community Center. During the event, the project team will share project information, answer questions, and gather public input.

Casper Area MPO is working with KLJ Engineering to conduct a corridor study along Salt Creek Highway from N Howard Street to Westwinds Road in the Town of Bar Nunn. The goal of the study is to develop a comprehensive improvement plan that aligns with the 2055 Long-Range Transportation Plan, with focus on transportation safety, traffic flow, multimodal facilities, and structural enhancements.
